RENEWABLE HYDROGEN SUMMIT

About the Annual Summit

OVERVIEW

The Renewable Hydrogen Summit is the annual flagship event of the Renewable Hydrogen Coalition (RHC).

UNIQUENESS

The Annual Summit is the only European event focused exclusively on renewable hydrogen topics. The event has become Europe's top gathering for industry and policymakers to take stock of progress in the sector.

A landmark annual summit since 2021

300 attendees every year.

High-level speakers from across the value chain.

Unique sessions addressing the most relevant developments for the industry.

Hosted in Brussels for targeted networking with key decision makers & industry leaders.
